

2024 IN REVIEW

*NOURISHING A THRIVING COMMUNITY
WITH GOOD FOOD AND GREAT PEOPLE*

Surrey Food Bank exists to ensure everyone in our community has access to nutritious food when they need it and with **dignity, consistency, and care**. In 2024, we faced rising demand, economic pressure, and the growing complexity of how to help thousands of families.

What anchored us is a simple belief: **food is the first step**. With specific supports, our clients today will become tomorrow's volunteers, neighbours and contributors. This report reflects that journey - of individuals, families, and a **community that refuses to let anyone go hungry**.

SENIORS PROGRAM

- 1,395 seniors supported
- 2,790 seniors served per month (avg)

VOLUNTEERS & COMMUNITY

In 2024, **409 volunteers** gave their time to support the work of the Surrey Food Bank, contributing a total of **30,335 hours** across depots, events, and behind the scenes.

EVENTS & PARTNERSHIPS

In 2024, we saw record community involvement across events, partnerships, and awareness campaigns. With hundreds of events and initiatives throughout the year, our volunteers and partners helped us show up for our neighbours in every corner of the community.

EFFICIENT & IMPACTFUL

LOOKING AHEAD

Food is a start. But it's community that creates lasting change.

In 2025, our focus remains simple: meeting the need, showing up consistently, and making it easier for neighbours to support one another.

We'll keep doing what works - delivering

good food with care, running strong programs, and creating welcoming spaces.

Our vision is a community where everyone has what they need, and where those who've received support can give back in their own way, in their own time.

Thank you for being part of it.
