

**Join us at Fill the Bay:**

***A high-energy community event at Surrey Food Bank***

**On May 21**, you're invited to **Fill the Bay** — our signature community event and the next chapter of what many of you have known as *Breakfast with the Bank*.

As we head into summer, demand rises, school food programs pause, and donations begin to slow. Fill the Bay brings the community together to help fill the shelves with **food and funds** before the pressure peaks.

 **Surrey Food Bank**

 **May 21**

 **Drop in between 3:00 – 6:00 PM**

The afternoon will include interactive activities, food and treats, and easy ways to help raise food and funds, and will be hosted by Global's Mark Madryga alongside local philanthropist and community champion Howard Blank.

Stop by for 15 minutes or stay a little longer. Bring a food donation, make a gift, join an activity, or do all three.
